**Class Description:** Create a High Desert Treasure Montage crafted onto a small easel-back board suitable to hang on the wall or adorn a tabletop. You may choose to create a Mask, a Pot, or both. Learn how to emboss copper as well as shape it into a different kind of embellishment. Wood burning and applying patinas (that really work!) are just a few of the processes you will use in this technique-filled class. A written tutorial will be provided and you will leave class with a finished project.

**Student must bring to class:** Dust mask, mini-jigsaw (optional), xacto knife, wood burner, small paint brushes, if you choose.

**Teacher will provide:** Small gourds, easel, paints, copper, feathers, patina and all materials to create the project, as well as a written tutorial.
